4th Grade Supply List

Note: 4th graders have *half* lockers (and no personal supply cubbies within the classroom), so please be mindful when purchasing supplies. Large backpacks do **not** fit well and make it difficult for students to access their belongings. Due to this, we opt for a more community approach with only some 'individual' supplies and more 'community' supplies. Thank you for understanding!

**If you are able and willing to donate \$5 to our additional random supplies that I purchase for the class, (things that we do not necessarily need 25 packs of, or that I can get in bulk, etc.) it would be very much appreciated!

INDIVIDUAL SUPPLY LIST

- Water Bottle (*it will stay at school!*)

- Small Tote/Bag or small backpack (to stay in locker and use for transporting things from school-home)
*Large backpacks do **not** fit in the half lockers well with student supplies

- 4 Composition Notebooks (not spiral, please)
*Math, Language Arts, Project Based Learning, Spanish

- 5 Folders with inside pockets (preferably rigid folders that can stand up!)
*Math, Language Arts, Science, Spanish, Project Based Learning/Unfinished Business

- Scissors (students really prefer the larger sized scissors!)
